

REDPOST

Returns

1. Gather all equipment to be returned
2. Fill in the form on the right of this page
3. Fold along line #1
4. Fold along line #2
5. Securely pack all equipment to be returned as detailed at www.redpostltd.com/support/returns
6. With the address facing upwards place this form inside a "Documents Enclosed" pouch, plastic wallet or simply cover with transparent tape
7. Tape the address on the outside of the box

N.B. If you are sending more than one box you only need to fill in one Returns form, but make sure Redpost's address is on each box.
